**Subject: Congratulations On Your Position As Secretary of HHS**

**Honorable, Robert F. Kennedy Jr.,**

***Congratulations on your position as Secretary Of The  
U.S. Department Of Health & Human Services.***

**In your acceptance speech you suggested GOD answered your Prayers!**

**UMOJA Research sincerely wishes you would Answer The Prayers Of The American People,  
many seeking the Right To Alternative Medicine and Natural Therapies, which cause No  
Harm to our Babies, Children, or Families.**

**Because "No Man Can Say What A Day Will Bring", we hope you'll look at the U.S.  
Governments funding to various Medical Organizations in the past fifty years, especially in  
Cancer, and fully support the funding and development of a Alternative Medical Institution,  
for the American People, who believe in and seek Alternative Medicine as a better Health  
Option. This will give Americans who prefer a non-allopathic means of Cure, or Remedy a  
better option to Health, without interference by the FDA, Doctors, Politicians', or the  
Pharmaceutical Industry. I believe Alternative Medicine will do in Ten Years what hasn't been  
done in the past Century, if Alternative Medicine can operate without any interference.**

**Dr. William F. Koch gave the Cause and Cure of Cancer by 1918. It was suppressed because  
he mentioned the Harms of Chemotherapy, Drugs & unnecessary Surgery. Dr. Max Gerson  
Testified before A Senate Committee in July 1946 and gave the Cause & Cure of Cancer and  
other Diseases. It was suppressed because he mentioned the lack of minerals in Natural Foods.**

**"EVERY DISEASE KNOWN TO MAN WAS CURED BY 1935"**

**Sincerely,  
John Burns, UMOJA Research - Private Health Research Since 1986**

### **Truth for Good Health & Long Life According To Ancient Egyptians;**

1. Clean Colon
2. Clean Lymphatic System
3. Clean Blood
4. Clean Skin & Hair

**Ancient Black People also said, "The Cells Must Obey The Supreme Law, Do No Harm"**, long before Hippocrates was born. In 1855, **Dr Rudolf Virchow** Scientifically Proved, **"The Cells Feed Themselves"** and will not take in anything harmful to the Human Body, which currently includes, Drugs, Vaccines, Synthetic Foods, Synthetic Baby Formulas, Synthetic Vitamins, Synthetic Minerals, or any of the Synthetic Foods, or Microwave Foods, which Russian Scientist proved, Foods Cooked In Microwave Ovens Go Through A Molecular Change & the Body Doesn't Know What To Do With It? (Sept. 1978 USSR Study) None of which contain Biological Chemicals, Vibrational & Electrical Energies, which support Life at the Cellular Level, provided by Nature.

The idea some Drug, or Miracle Vaccine will Heal People is the furthest thing from the Truth. Many of the organizations involved are basically experimenting on people to find a Synthetic Chemical, which can be patented for "Profits Over People". (Can't Patent Nature)

### **John Burns, UMOJA Research, Private Health Research Since 1986**

Five Time Graduate of Los Angeles Trade Technical College 1976-1986

A.A. General Education

A.S. Heavy Equipment Truck & Diesel Repair Technology

A.S. Welding, Gas, Electric & Inert Gas Technology

A.S. Machine Shop Tool & Die Making Technology

A.S. Electronics, Microwave, Radar & Two-Way Radio Technology

Although my intent during Sabbatical from Los Angeles Trade Technical College was to continue working towards Mechanical & Electronic Engineering, I had an "Epiphany", or "Spiritual Awakening" and told I had a choice between two Paths, and no matter which path chosen there would be success. The choices were to complete Engineering, or find the Truth About AIDS & Human Health. I chose the latter.
